NARRATIVE

On February 16, 2019, at approximately 1106 hours, I responded to personal alarm activation within Facility B housing unit 1.

As I was approaching the A-section of Building one, I observed an inmate later identified as [REDACTED] in restraints and being assisted to his feet near the [REDACTED] well with Officer's A. Junes and A. Lopez. As I was providing dayroom coverage due to non-involved inmates still on the dayroom floor I heard an inmate later identified as Inmate [REDACTED] violently kicking his cell window over and over with his right foot. I approached [REDACTED] and ordered Inmate [REDACTED] stop kicking the cell window, to which [REDACTED] complied. I ordered [REDACTED] turn around and submit to handcuffs through the open food port; [REDACTED] complied and stated "FUCK YEAH LET'S GO".

TYPE OF INFORMATION:

 CONTINUATION OF REPORT CLARIFICATION OF REPORT ADDITIONAL INFORMATION

Once [REDACTED] was in restraints I instructed the control booth officer to open [REDACTED]. Once the cell door was open I ordered [REDACTED] to back out of his cell and side step to his left and face the wall, to which he complied. Officer J. Ferrso conducted a clothed body search on [REDACTED] for weapons or contraband with negative results. Ferrso held [REDACTED] left bicep with his right hand while I held [REDACTED] right bicep with my left and we began to escort [REDACTED] down the [REDACTED] dayroom and out the [REDACTED]. Once we approached outside of the [REDACTED] began yelling his "OOOOOOOUUUU" which is a Security Threat Group (STG) Affiliation Gang call, gaining the attention of the inmate population. As we are escorting [REDACTED] closer to the gym he continued to yell "ALLAH IS GONNA KILL YOU" I gave [REDACTED] a direct order to stop yelling, [REDACTED] willfully refuse all direct orders continued to yell "ALLAH IS GONNA KILL YOU".

Once Ferrso and I entered the gym [REDACTED] began impeding our escort by violently twisting and turning his lower and upper extremities and yelling "FUCK YOU CRACKER ALLAH GONNA KILL YOU", I quickly placed both my hands around [REDACTED] right bicep and utilized my body weight along with [REDACTED] forward momentum and forced [REDACTED] down to the ground, [REDACTED] standing on the gym floor striking his chest then face. Once on the gym floor I quickly repositioned both my hands and applied downward pressure to [REDACTED] left shoulder with my left hand and his right shoulder with my right hand. [REDACTED] continued to violently twist and turn his lower and upper extremities to include moving his head left and right and attempting to bite me. I continued to hold [REDACTED] shoulders and slumped all my weight on [REDACTED] upper back and head area striking [REDACTED] with the code one vest on the back of his head. [REDACTED] started to yell "ALRIGHT" and then stopped his resistive behavior.

Once [REDACTED] stopped his violent behavior S. Khodabakhsyan and I assisted [REDACTED] to standing position once [REDACTED] was in a standing position I noticed a scratch to his upper lip area. Khodabakhsyan and I continued to escort [REDACTED] to the holding module located inside the gym. Once Khodabakhsyan and I approached holding module #6 I searched the module for weapons or contraband with negative results Khodabakhsyan placed [REDACTED] and secured holding [REDACTED]. Once the module was secured Khodabakhsyan conducted an unclothed body search of [REDACTED] upon completion of the unclothed body search Khodabakhsyan initiated the holding cell log.

 CHECK IF NARRATIVE IS CONTINUED ON CDCR 837-C1.
